

MEMORANDUM

To : Chief Operation Officer

From : GM Bengkulu Region S2

Date : 14th January 2020

Subject : **Mitra Puding Mas CSR Project “Jambatan Billy” Desa Cipta Mulya Kecamatan Putri Hijau**

Dear Pak COO,

Reference is made to the above Corporate Social Responsibility amounting Rp144,970,00 (USD 10,355.00) which has been completed and surrendered to the community on Friday 10th January 2020.

The bridge is located at S 3,140695° E 101,5639972° within Desa Cipta Mulya (SP5) near MPM Division 1, served as the alternative entrance to AEP properties (Mitra Puding Mas Estate, Mill, Alno Sapta Buana Estate and Pangeran Estate).

A total of more than 1000 families from Desa Mekar Jaya (SP4) and Desa Air Pandan (SP7) also benefitted from this bridge to go to government asphalt road to nearby Air Muring or Ipuh Town.

It has now been upgraded to metal plank to last for a longer time, thus, allow more crop from communities to be delivered to MOM at about 7500mt to 12000mt of FFB per month (base on crop trend).

Regards

A handwritten signature in dark ink, appearing to be 'Noor Hisham Ismail', is written over a faint, circular official stamp. The signature is bold and stylized, with a long horizontal stroke extending to the right.

NOOR HISHAM ISMAIL
